

# Axelliant | Microsoft Solutions & Services

Maximize productivity, strengthen security, and optimize costs

## Why Axelliant?

### Certified Microsoft Experts

Deep expertise across Microsoft 365, Azure, and security solutions.

### Security & Compliance Focus

Advanced protection with Microsoft Defender, Entra ID, and compliance frameworks.

### Seamless Integration

From cloud adoption to security frameworks, we deliver end-to-end Microsoft solutions.

### Scalable & Cost-Effective

Optimize your IT spend with tailored Microsoft solutions that grow with your business.

## Our Microsoft Services Portfolio

### Microsoft 365 Solutions

- Licensing & deployment for Microsoft 365 Business, Enterprise, and Education.
- Email migration, SharePoint, Teams, and OneDrive for seamless collaboration.
- Endpoint management with Microsoft Intune & Windows Autopilot.

### Azure Cloud Solutions

- Infrastructure-as-a-Service (IaaS) & Platform-as-a-Service (PaaS) on Microsoft Azure.
- Azure Virtual Desktop (AVD) & cloud cost optimization.
- Backup, disaster recovery, and hybrid cloud solutions.

### Microsoft Security & Compliance

- Microsoft Defender for Endpoint, Office 365, and Identity.
- Microsoft Entra ID for secure identity & access management.
- Data Loss Prevention (DLP) & Insider Risk Management.

### Managed Microsoft Services

- 24/7 monitoring, troubleshooting, and performance optimization.
- Automated patching, backup management & security updates.

**Businesses using Microsoft Cloud solutions reduce IT costs by up to 40% while improving security and compliance.**

**Let's transform your business with Microsoft.**
